SMART Goals For Managers(with free Template) A guide to SMART goalsLastly and most importantly, setting SMART goals saves time (which means it also saves money). When dealing with keeping a team aligned on a project, think about the amount of questions that are asked, meetings that are had, and time that is wasted due to the lack of centralized information.SMART is an acronym that represents a framework for creating effective goals. It stands for five qualities your goals should have. They should be specific, measurable, achievable, relevant, and time-bound.Brian Tracy's SMART oals Cheat Sheet Copyright© 2018 | Brian Tracy International All Rights Reserved | Privacy Policy Stay Focused With A Goal Journal
