Outstanding Book of the Year: Whitewash by Carey Gillam. Whitewash: The Story of a Weed Killer, Cancer and the Corruption of Science, by Carey Gillam (Island Press) has been named an Outstanding Book of the Year by the Independent Book Publisher Awards. “Hard-hitting, eye-opening narrative...A forceful argument for an agricultural regulatory...The capstone of 20 years of meticulous reporting, Whitewash is an eerily familiar story of the dangerous consequences of putting corporate profits ahead of public safety. As Whitewash details, glyphosate is the most widely used agrichemical in history—a pesticide so pervasive it’s in our air, our water, our food, and even our own bodies. Whitewash: The Story of a Weed Killer, Cancer, and the Corruption of Science. Whitewash is more than an exposé about the hazards of one chemical or even the influence of one company. It’s a story of power, politics, and the deadly consequences of putting corporate interests ahead of public safety.
